

JOB NO: 249036

LOCATION: FOLKESTONE WEST STATION

DESCRIPTION: RENOVATION OF DISUSED ROOMS FOR USE AS VSOE WAITING ROOMS

THE WORKS:

The works involved the provision of new waiting lounges in both the up and down side buildings which were for many years left derelict rooms within the existing station buildings. The works included heavy duty wood flooring, painting to match the VSOE corporate colours, pew style seating, wall lighting, chandeliers and a reclaimed fireplace. We also provided new toilet facilities in both up and down side buildings

This project has been put forward for the National Railway Heritage Awards 2008
